Subject: Royalty Statements for Calvin Carter and James Bracken

Dear Mr. Carter,

This is David Schneider with BMG. I have been working with the various parties involved in the Copyrights of James Bracken and Calvin Carter.

Accordingly, please find the following documents that are attached herein:

- 1) Calvin Cater Estate (10063) 2015 through 2016: This royalty statement provides an accounting of all royalties earned by Calvin Carter compositions that were terminated with an effective date of 1/1/15, and that were previously paid to Fuji Music Group, but that are ultimately payable to you pursuant to the terminations. The statements cover the six accounting periods commencing with 1Q15 and ending with 2Q16. The amounts shown on this statement include a refund of any and all administration fees applied by BMG in the original accounting to Fuji Music Group.
- 2) Calvin Carter Removed Titles: This statement summarizes the Calvin Cater royalties previously accounted to Fuji Music Group that are not payable to you following the terminations. These royalties were earned through licenses issued before the effective termination date of 1/1/15.
- 3) James Bracken (9648) 2015 through 2016: This royalty statement provides an accounting of all royalties earned by James Bracken compositions that were terminated with an effective date of 1/1/15, and that were previously paid to Fuji Music Group, but that are ultimately payable to you pursuant to the terminations. The statement covers the six accounting periods commencing with 1Q15 and ending with 2Q16. The amounts shown on this statement include a refund of any and all administration fees applied by BMG in the original accounting to Fuji Music Group.
